Copy 2 of 6.

6 May 1956

TO: **WING COMMANDER** HQ, USAF  
AFCS-S-PC

ATTENTION: **Colonel R. A. Berg**

SUBJECT: **Estimated LF-1A Fuel Requirements**

STAT  
STAT

1. Reference telephone conversation between [redacted] your office and [redacted] this office on 7 May 56 the following is the estimated LF-1A fuel requirements:

57,000 gallons per month o/s bases

74,000 gallons per month XI consumption

2. Figures cited above are purely for procurement and program planning. No delivery should be made until directed by this office due to limited storage facilities at any or all of the bases. It is estimated that request for delivery will be made twice a month.
